**SUMMARY OF PROCEEDINGS**  
**FINDINGS OF FACT AND CONCLUSIONS OF LAW**

**SUMMARY OF PROCEEDINGS**

1. On November 13, 2006, a petition designated as Docket #06-AP-4 was filed with the State Boundary Commission requesting the annexation of certain territory in Breitung Township to the City of Iron Mountain, as described in Attachment A.
  2. On March 22, 2007, the State Boundary Commission held an adjudicative meeting to determine the legal sufficiency of the petition. The Commission unanimously determined the petition to be legally sufficient.
  3. On August 16, 2007, at an adjudicative meeting, a public hearing was scheduled for October 25, 2007, to receive testimony. However, on October 16, 2007, the involved parties requested that the date of this public hearing be postponed to allow time for the municipalities to execute a proposed conditional transfer of property agreement and file it with the Secretary of State.
  4. On October 16, 2007, the public hearing was re-scheduled for December 6, 2007, to receive testimony in the event that the conditional transfer of property agreement was not executed and filed.
-

5. On November 5, 2007, a conditional transfer of property agreement, pursuant to 1984 PA 425, executed between the City of Iron Mountain and Breitung Township, was filed with the Secretary of State, Office of the Great Seal (Attachment B). The territory described in the 425 Agreement includes all of the same territory that is described for annexation in Boundary Commission Docket #06-AP-4.
6. On December 13, 2007, at an adjudicative meeting, the State Boundary Commission unanimously voted to approve a motion to recommend that the Director of the Department of Labor & Economic Growth deny the annexation.
7. On December 13, 2007, at an adjudicative meeting, the State Boundary Commission unanimously voted to adopt the Summary of Proceedings, Findings of Fact and Conclusions of Law, and to recommend that the Director of the Department of Labor & Economic Growth sign the attached Order to deny the subject annexation.

### **FINDINGS OF FACT**

1. A conditional transfer of property agreement, pursuant to 1984 PA 425, executed between the City of Iron Mountain and Breitung Township, was filed with the Secretary of State, Office of the Great Seal on November 5, 2007, and designated as OGS Job Number 07-423 (Attachment B).
2. The territory described in the 425 Agreement includes all of the same territory that is described for annexation in Boundary Commission Docket #06-AP-4.
3. Section 9 of Public Act 425 states that "while a contract under this act is in effect, another method of annexation or transfer shall not take place for any portion of an area transferred under the contract."

### **CONCLUSIONS OF LAW**

1. The Findings of Fact in this docket support the unanimous recommendation of the Boundary Commission that the Director of the Department of Labor & Economic Growth sign the attached Order to deny the subject annexation on the ground that all of the territory described for annexation in Docket #06-AP-4 is also the subject of a conditional transfer of property agreement pursuant to 1984 PA 425.

MICHIGAN DEPT. OF STATE

2007 NOV 2  
**AGREEMENT FOR CONDITIONAL TRANSFER OF PROPERTY  
BY AND BETWEEN  
CITY OF IRON MOUNTAIN AND THE TOWNSHIP OF BREITUNG  
AREA I**

THIS AGREEMENT, made this 30th day of October, 2007, between the **CITY OF IRON MOUNTAIN**, a Michigan municipal corporation, with its principal office located at 501 S. Stephenson Avenue, Iron Mountain, Michigan 49801-3424 (the "City") and **BREITUNG TOWNSHIP**, a Michigan municipal corporation, with its principal office located at 3850 Menominee Avenue, Quinnesec, Michigan 49876 (the "Township").

WHEREAS, Article VII, Section 28 of the Michigan Constitution of 1963, specifically authorizes two or more governmental units to enter into contractual undertakings or agreements with one another for the joint administration, sharing of costs and responsibilities or transferring to another of any of the functions, powers, or responsibilities which each would have the power to perform separately; and

WHEREAS, Act 425 of the Public Acts of 1984 (MCL 124.21, *et seq*), hereinafter referred to as Act 425, enables the City and the Township to conditionally transfer property for the purpose of an economic development project, calling for the sharing of taxes and other revenues designated by the city and the Township, pursuant to a written contract ("Act 425 Agreement") setting forth the development, methods, effects of expiration, termination or non-renewal agreed to by the City and the Township provided said project is developed in compliance with the provisions of Act 425; and

WHEREAS, the City and the Township desire to enter into an Act 425 Agreement to provide for and to promote the economic development of a certain property located in the Township for the mutual benefit of the citizens of both the City and the Township.

NOW, THEREFORE, it is agreed by the parties hereto as follows:

**ARTICLE I  
GENERAL PROVISIONS**

1.1 Purpose. The purpose of this Agreement is to provide for the conditional transfer and economic development of certain land shown on a plat map attached as Exhibit A (the "Transferred Property"). This Agreement provides for the conditional transfer to the City of the Transferred Property so that it will come within the corporate boundaries of the City and under the jurisdiction of the City for all purposes permitted by the Home Rule Cities Act. Such conditional transfer is made and this Agreement is approved by the City and the Township solely for accommodating the development of the Transferred Property for an economic development project as contemplated by Act 425.

1.2 Legal Description of Transferred Property. The Transferred Property shown on the plat map attached hereto as Exhibit A is legally described in the attached Exhibit B. Said property shall hereinafter be referred to as the "Property" or the "Transferred Property."

1.3 Consideration. The consideration for the entry into this Agreement is set forth in the mutual covenants written here below including, but not limited to the conditional transfer of the Property to the City for the term of this Agreement or any renewal and the Township's right to receive an annual payment from the City throughout the life of this Agreement.

1.4 Term. This Agreement shall remain in effect until November 1, 2020, or until the Township has received twelve (12) full annual payments of property tax sharing as provided by Article IV below. This Agreement shall not be terminated during its initial term and shall not be renewed beyond its initial term.

1.5 Transfer of Employees. Except as otherwise provided herein, there shall be no transfer of any employees from either party under this Agreement. The employees of the City shall operate within the boundaries of the Transferred Property during the term of this Agreement as if the Property were within the permanent boundaries of the City, and shall be supervised and paid by the City.

1.6 Equipment. There will be no sale, transfer or disposal of real property, facilities or equipment or other personal property under this Agreement. The City shall use its own equipment and materials necessary to carry out the purposes of this Agreement without affecting any transfer of ownership.

1.7 Financing. The City shall remain responsible for payment of the salaries and benefits of any of its employees performing any municipal function under this Agreement within the Transferred Property. The Township shall have no responsibility to finance any public works projects or other projects within the Transferred Property unless otherwise agreed to in writing by both parties.

1.8 Cooperation. The City and the Township agree that they will cooperate with each other in the performance of any action required hereunder, pursuant to the terms herein, or required of them by Act 425, to make this Agreement legally binding in a professional and efficient manner.

1.9 Meetings. The City and the Township agree to meet once every five (5) years during the term of this Agreement to review and discuss potential amendments to this Agreement that may become necessary or advisable as a result of changes in the law or circumstances.

## **ARTICLE II CONDITIONAL TRANSFER OF PROPERTY**

2.1 Conditional Transfer. The property owners of the Transferred Property or other interested parties with the Property owners' consent have requested water or sewer services to build a new economic development project or to improve an existing development as permitted under Act 425; and the City finds that (1) it has the capacity to provide such service to that Property, (2) there is sufficient private funding or mutually agreed upon public financing to run the water or sewer main to the Property, and (3) the Property owners are able to pay the cost of

service laterals and all of the applicable fees and charges to connect the Property to the water and/or sewer systems. The City shall provide such water and/or sewer service in return for the conditional transfer of said Property from the jurisdiction of the Township to City jurisdiction pursuant to this Agreement.

### **ARTICLE III TRANSFER OF JURISDICTION**

3.1 Conditional Transfer of Jurisdiction. Upon the effective date of this Agreement, as defined in Article VI, the City shall provide to the Transferred Property all municipal services now made available to residents and property owners within current City boundaries, or which may be made available within the City in the future in the same manner and subject to the same conditions and limitations as are applicable to other residents and property owners within the City. The City shall assume full authority and municipal jurisdiction over said Property as though the Transferred Property were a part of the City itself. The City shall have the right and duty to exercise all of its municipal powers permitted under the Home Rule Cities Act over the Transferred Property.

3.2 Jurisdiction Upon Expiration of the Agreement. Upon expiration of the term of this Agreement, the Transferred Property shall remain within the jurisdictional boundaries of the City for all purposes.

### **ARTICLE IV SHARING OF REVENUES**

4.1 Tax Sharing. The City shall, during the term of this Agreement, annually pay to the Township that portion of the ad valorem real and personal property tax revenues received by the City from the Transferred Property calculated as follows:

(a) On or before October 30 of each calendar year, beginning in 2009 and continuing through 2020, the City shall annually pay to the Township a sum equal to the total millage as is then currently levied by the Township, up to the statutory maximum allowed, multiplied by the taxable value of all property within the Transferred Property area, including the taxable value of the land as well as the value of any improvements, both real and personal, contained within the Transferred Property as finally equalized as of December 31 of the preceding calendar year by the Iron Mountain City Assessor.

(b) In the event there is a change in the state law which either reduces or increases the amount of or the method of levying personal or property taxes collected within the Transferred Property or which provides for an alternate source of revenue to local municipalities, the payment calculated in Section 4.1(a) shall be replaced or adjusted to provide the Township the same proportion of total revenues derived by the City from or with respect to the Transferred Property as would have been paid under the formula in Section 4.1(a) and under present state law.

(c) The property tax sharing payments provided in Section 4.1(a) are the only revenues and/or fees the City shall share with the Township from the Transferred Property. These revenues are in lieu of any and all other payments or fees from the Transferred Property which the Township might otherwise be entitled to except for this Agreement.

(d) The tax sharing provided for herein shall expire with the expiration of this Agreement.

4.2 Annual Report/Accounting. The City shall provide an annual report to the Township describing on a parcel-by-parcel basis the annual assessed value of all the parcels within the Transferred Property as carried on the City property tax rolls. The City shall also provide the Township with the calculations used by the Treasurer's office describing how each year's payment of property tax sharing was determined.

4.3 Tax Exemptions and Abatements.

(a) Tax Abatements. Upon receipt of any request for tax abatement from property owners of the Transferred Property, the City shall give the Township written notice of the time and date for the public hearing at which said tax abatement request shall be considered. If the City approves the abatement and the abatement is approved by the state tax commission, such abatement shall not reduce the amount of property tax sharing due to the Township under Section 4.1(a) above.

(b) Statutory Exemptions. If a tax exemption is permitted by code or statute for religious, charitable, educational institutions or hospitals, etc., the parties will share equally in the potential loss of taxes resulting from such exemption.

(c) Tax Increment Captures. If the City creates a district or authority within or including the Transferred Property for the purpose of tax increment financing, by whatever method or statute authorizing such district, such authority or district shall not be permitted to capture any portion of the annual property tax sharing payments due to the Township under Section 4.1(a) above.

4.4 Gifts, Grants, Assistance Funds, or Bequests. The Transferred Property shall be treated as being within the jurisdiction of the City for purposes of gifts, grants, assistance funds, bequests, or other funds received from any private or public source given to the Transferred Property, an activity performed within the Transferred Property, the occupancy of the Transferred Property, or for any other reason arising from the existence or jurisdiction over the Transferred Property, such gifts being distributed to City alone and not shared with the Township.

4.5 Extent of Tax Revenues Shared. No other revenues, assets or liabilities shall be shared between the parties hereto or as a result of this Agreement.

- (ii) Need for organized community services; the present costs and adequacy of governmental services in the conditionally transferred area; the probable future need for services in the conditionally transferred area; the practicability of supplying such services to the conditionally transferred area and or the remaining portions of the Township; the probable change in taxes and tax rate in the conditionally transferred area in relation to the benefits expected to accrue from such transfer; and the financial ability of the City to provide and maintain water, sanitary sewer, trash disposal, electric service, and governmental services in the conditionally transferred area.

(d) Public Hearings. Pursuant to Act 425, the City Council held a public hearing on this Agreement on September 24, 2007, at 6:30 p.m. and the Township Board held a Public Hearing on this Agreement on September 24, 2007, at 7:00 p.m., at which time the conditional transfer the Transferred Property was fully discussed along with the

with the potential property tax sharing. Notice of said public hearings was given pursuant to the Open Meetings Act, Act 267 of P.A. 1976, as amended.

(e) Majority Vote. The members of City Council and the members of the Township Board each have adopted a resolution by majority vote of their members elected to approve this Agreement and authorize their respective representatives to execute it.

(f) Referendum. Neither the City Council nor the Township Board adopted a resolution calling for a referendum and more than the thirty (30) day referendum period under the Act has elapsed since the public hearings before the City Council and the Township Board. Neither the City Clerk, the Township Clerk nor the County Clerk have received a petition calling for a referendum of this Agreement; or, if such referendum was petitioned for within the 30 days, said election has been held and the majority vote in that election approved the adoption of this Agreement.

(g) Pledge of Revenues. The Township represents and warrants that it has not pledged any revenue from and has not represented to any obligees, lenders, bond holders or creditors that it is dependent upon or anticipating certain revenues, not going to be provided under this Agreement, from the Transferred Property, to meet any obligations of the Township or entity created by the Township.
